Two Dynamite Trucks Hit Train; 65 Dead, 100 Hurt

President Stays In Bed Today on Doctor's Orders

About Town

And Country
By TIMOTHY T.

Fred Patterson Pictured in Tucson Newspaper

FAR AND AWAY: We've been sticking pretty close to home in this dissertation the past few days; so let us journey to the great South west, let us journey to the north.

FRED PATTERSON, whom we used to know as Sully when he lived and farmed up here, made the Tucson Daily Citizen in a big way a couple of weeks ago.

Brother Frank Patterson, the fireman de luxe, showed me the issue yesterday and right there at the top of the front page in a picture that was three columns wide was Sully, perched atop a huge farm implement. He was on his picker-sheller.

Seems like in the valley around Tucson they've quit singing cotton-pickin' songs and have turned to good ol' corn. Yep, where they used to grow cotton they've turned to corn—and real recent.

Besides the picture of Fred on his new machine, which straddles two rows of corn at a time, picks the ears, shells the corn and stores the shelled corn in a 40-bushel tank, there are two more four-column pictures of him busily engaged and a lengthy story on page 2.

Fred is co-owner of the Arizona Farm Service Co., and is engaged in custom picking and shelling with his big new machine.

AND ON THE INSIDE of the same issue of the Tucson Daily Citizen is a picture and story about Miss Anita Louise Pankey, daughter of Mr. and Mrs. Frank H. Pankey who formerly lived here.

The story reveals that Miss Pankey was to be installed as worthy adviser of Temple Assembly No. 27, Order of Rainbow for Girls. And the picture is real pretty.

GET OUT OF THE SOUTH WEST, people and take a rocket-ride to Canada. There, Harrisburg's Chuck Hunsinger is playing another year of professional football.

I talked with his father-in-law, Steve Mitchell, yesterday and found out that Chuck is doing right well with the Montreal Alouettes, a team he is playing with for the third consecutive year.

"He's made several touchdowns this year already," Steve told me. "He's made the sport pages a lot and the people still like him. It seems to me he is doing every bit as well as he did last year."

It was easier to keep up with Chuck last year when Canadian league football games were televised every Saturday afternoon.

Dirksen Says U. S. Cannot Support Allied Colonialism

CHICAGO (UP) — Sen. Everett Dirksen (R-Ill.) says America can no longer support colonialism on the part of its allies.

Dirksen, in a speech to the Donald Aldrich detachment of the Marine Corps League Friday, said that after his return from a recent world tour he told President Eisenhower "You can't put colonialism on this world any longer."

"I won't vote another dollar to support colonialism," Dirksen said. The Illinois Republican, who is up for re-election next year, also defended his position on foreign aid.

Dirksen, who had once dubbed such aid as a "giveaway" program, supported the administration's foreign aid bill this year.

He said some people had called this a "flip-flop" but "that doesn't bother me a bit."

"If we're going to hold freedom's line, we must do certain things," the senator said.

Raleigh IOOF Lodge To Celebrate Centennial With Program Oct. 12

I. O. O. F. lodge 182 of Raleigh will be 100 years old Oct. 12 and a special program is planned for that evening.

Lee Corn, noble grand, invites all I. O. O. F. lodges to meet with the Raleigh lodge and help in observing its centennial.

Two Men Found Innocent at Murder Trial

Face Charges Of Kidnaping in 'Wolf Whistle' Case

SUMNER, Miss. (UP) — Two white men, found innocent by an all-white jury of charges that they murdered a 14-year-old Chicago Negro boy, today faced additional charges of kidnaping in the "wolf whistle" murder case.

The defendants, half-brothers Roy Bryant, 29, and J. W. Milam, 36, happily hugged their pretty wives on hearing the verdict Friday and then, puffing cigars, accepted the congratulations of their friends and neighbors.

Bryant and Milam later were moved to the Leflore County Jail at Greenwood where they face kidnaping charges for allegedly taking young Emmett Till from the farm home of his great uncle to determine if he was "the one" who "in-sulted" Bryant's pretty wife with a "wolf whistle."

Kidnap Charge Dismissed

Judge Curtis Swango dismissed Tallahatchie county kidnap charges against the two immediately after the verdict was reached because it was brought out in the trial that the boy was actually abducted in neighboring Leflore county.

Defense attorneys announced they would immediately seek freedom for the men pending their arraignment on the new kidnap charges but could not make bond Friday night.

Jim Pennington, a member of the jury of 12 sun-tanned white men, mostly farmers, said the verdict was reached on a third ballot during the one hour and seven minutes of deliberation.

"There were several reasons for the verdict," he said. "But generally everyone reached the conclusions that the body was not definitely identified."

Identification Doubt

Two defense witnesses, a physician and an undertaker, testified they did not believe the mutilated, bullet-punctured body found weighted in the Tallahatchie river three days after Till was abducted, could have been that of the missing boy.

Till's mother, Mrs. Mamie Bradley of Chicago, and his great uncle, Moses Wright, swore they were certain of the identity but the professional men said the body appeared to have been decomposing longer than three days.

Bryant and Milam announced through their attorneys readiness to stand trial on a kidnap charge. They admitted taking Till from his uncle's home early on the morning of Aug. 28 but said they released him unharmed when Bryant's wife said he was not "the one" who whistled at her at the Bryants' country store.

Search for Six Adventurers In Far North

WINNIPEG, Man. (UP) — Air Force pilots stood by today for orders to hunt for six youthful adventurers, five of them Americans, missing in the far north.

RCMP search planes out of Prince Albert, Sask., already were heading the hunt, which got underway Friday when authorities reported that the six canoeists were five days overdue on a 600-mile journey, by paddle and portage, from Stony Rapids in northern Saskatchewan to Baker Lake, 150 miles south of the Arctic Circle.

The six left Stony Rapids in three canoes June 29 and intended using as their guide a report made in 1893 by a Canadian government surveyor. They took food supplies for 80 days and were due to end their trip at Baker Lake six days ago.

Arthur Moffat, a 35-year-old geologist from Norwich, Vt., headed the party. With him were Dartmouth junior Bruce Le Favour, 20, of Amsterdam, N. Y.; Harvard student Peter Franck, 18, of San Mateo, Calif.; Dartmouth graduate Fred Pess Jr. of Grosse Pointe, Mich.; Dartmouth junior Edward Lanouette, of Sao Paulo, Brazil; and George J. Grinnell, about 22, member of a socially prominent New York family.

The only clue uncovered by early today was a supply cache, found Friday about halfway along the planned route.

Recover Bodies of Four Airmen Killed In Lake 12 Years Ago

FRESNO, Calif. (UP) — The bodies of four crew members of a B24 which plunged into Huntington Lake nearly 12 years ago have been recovered and Army divers searched today for the remains of two airmen still missing.

The remains of two of the wartime airmen were recovered from a section of the fuselage late Friday. Two other bodies were pulled out Thursday.

Chief Deputy Coroner Ben Paschall said identification at the crash scene was impossible. Sixth Army officials said identification will be released in Washington when the operation is completed.

The plane plunged into the lake during a snowstorm in December, 1943, while on a routine wartime training flight from Hammer Field near Fresno.

GOP Booklet Claims Good Rule And Prosperity

WASHINGTON (UP) — Senate Republicans kicked off their own 1956 election campaign today with sweeping claims they gave the nation good government and prosperity.

In a 79-page booklet, the Senate GOP Policy Committee claimed the Eisenhower administration has:

1. Cleaned up a Democratic "corruption mess" in Washington.
2. Rid the government of more than 8,000 "security risks."
3. Brought peace and unprecedented prosperity to the nation.

Evidently designed as advance ammunition for the 1956 campaign the booklet also credited the GOP administration with taking "the initiative against communism in all parts of the world."

It said the administration also "successfully argued before the Supreme Court to end segregation in public schools."

The claim that the administration "oustred more than 3,000 security risks" and that more than 5,000 others "resigned for security reasons" was certain to touch off renewed "numbers game" charges by Democrats.

Democrats have repeatedly maintained that "security" dismissals or resignations reported by the administration included many persons who left the government for other reasons. A Democratic-controlled Senate subcommittee is slated to air the security risk issue next week with testimony from leading administration officials.

Another claim by the GOP senators sure to draw Democratic fire was on farm policy. The policy committee said the administration had "aided farmers in the difficult transition from war to peace" and adjusted outmoded federal programs to "current needs."

Three Local Women To Conduct State Mission Institutes

Mrs. Herman Davis, Mrs. J. B. Clark and Mrs. D. H. Hiller will leave Sunday afternoon for a series of regional Mission Study Institutes over the state. The institutes are to be conducted as a part of the program of the Woman's Mission Union of the Illinois Baptist State association, of which Mrs. Hiller is state Mission Study chairman. The three women, together with Miss Helen Sinclair, executive secretary of Illinois W. M. U., and Miss Dorothy Reed, youth secretary, both of Carbondale, and Mrs. Wayne Jones of Du Quoin, will conduct institutes in Granite City, Decatur, Marshall and Carbondale, and Hammond, Ind.

Mrs. R. W. Wallis, former state president of Illinois W. M. U., and at present living in Waco, Texas, where Dr. Wallis is teaching in Baylor university, will be the speaker at each day's institute. Mrs. Davis, Mrs. Clark, Mrs. Jones, Miss Reed and Mrs. Wallis will conduct classes in the teaching methods to be used in the study of the books in the foreign mission series this fall. The theme for this year's study is "The Moslem World." Baptist women from this section of the state will attend the institute to be held at Walnut Street church, Carbondale, on Friday, Sept. 30.

.90 Inch Rainfall

Yesterday's rainfall totalled .90 inch in Harrisburg, Harrison Kibler reported from the Pankey Branch gauge. The rainfall at Galatia measured 1.50 inches.

Blast in Mexico Caused by Racing Drivers

All of Crewmen, Most of Passengers On Train Killed

GOMEZ PALACIO, Mexico (UP) — Two trucks loaded with nine tons of dynamite smashed into a crowded passenger and freight train at a crossing Friday night, setting off a tremendous explosion that killed at least 65 persons and injured 100 others.

Authorities feared the toll would rise. They said many of the injured were not expected to live. At least 12 of the dead were children.

The two drivers apparently were racing their trucks, each loaded with four and one-half tons of the high explosive, and were so intent on their competition they did not see the train. They hit it at full speed.

The explosion tore a gaping hole in the ground and leveled houses near the scene of the blast. The balcony of a movie theater in Gomez Palacio a mile and a half away, collapsed from the force of the explosion and the moviegoers fled in panic but none was injured.

Flung 700 Yards
The engine and all three cars of the mixed passenger and freight train, a local running from Torreon to Chihuahua, were destroyed. The engine of one truck was found 700 yards away. No trace was found of the bodies of the drivers.

All the crewmen aboard the train and most of the passengers were killed. Many of the dead and injured were inhabitants of houses along the tracks.

The scene was like that of a battleground. Bodies and parts of bodies lay scattered among the devastation when ambulances began arriving from Torreon, eight miles away. Many of the injured lay groaning under piles of wreckage. An accurate count of the dead was difficult because so many of the bodies were destroyed.

Chickens, pigs and burros kept in pens near the houses were all killed.

Typhoon Leaves Destruction In Luzon

MANILA (UP) — Typhoon Kate swirled westward across the South China Sea today, leaving a trail of destruction across northern Luzon. President Ramon Magsaysay ordered all government and semi-government agencies to render immediate relief aid to areas hit by the worst storm persons were reported dead. Public works were reported damaged to crops and property would reach 2½ million dollars in the northern provinces.

Seven Injured In Denver Fire

DENVER (UP) — A two-alarm fire swept the second floor of the Claridge Hotel in the city's lower downtown area early today, injuring at least seven persons.

Fire Chief Allie Feldman said the injured included two firemen and five guests, one of whom jumped from his second-floor room to the sidewalk to escape the flames.

Romulo Named Ambassador to U. S.

MANILA, P. I. (UP) — President Ramon Magsaysay today appointed Brig. Gen. Carlos P. Romulo Philippine ambassador to Washington.

Humorist Samuel H. Ramsey to Address Dinner Club on October 1

Members of the Southern Illinois Dinner club will be entertained by one of America's top-flight humorists, Samuel H. Ramsey, at the first meeting of the fall series Saturday evening, Oct. 1, at the Kurto Country club. The dinner meeting will begin promptly at 6:30 p. m.

Mr. Ramsey, who was born in Scotland but now is living in Boston, is one of the most popular business speakers who has addressed numerous trade associations and Chambers of Commerce across the country. His talk here will be strictly along humorous lines.

A believer in doing business with a smile, the Scotsman says any business can do a bigger and better business when it teaches its salesmen to "laugh with your customers."

"Humor has an important part in our daily living, too," he continues. "It is just as essential to healthful, pleasant living as some of the food we eat, the clothes we wear and the appointments we have in our homes."

Bulganin Letter Regarded As Encouraging; See No Change in Russian Views

DENVER (UP) — Soviet Premier Nikolai Bulganin's historic letter to President Eisenhower was regarded by most observers today as an encouraging development, but no real indication of change in the Russian position on disarmament.

There were clear signs that the United States will continue to press strongly at United Nations disarmament talks Mr. Bulganin's "pre-disarmament" proposals for "blueprint" exchange of military information and swapping of aerial reconnaissance between the United States and the Soviet Union.

Although he did not flatly reject them, Bulganin said in effect that the Eisenhower proposals are not adequate to deal with the bigger problem of actual disarmament.

The temporary White House in Denver made the Bulganin letter public Friday, but withheld comment pending Mr. Eisenhower's formal reply. The 11-page, 2,000-word document was released slightly more than 48 hours after the President first received it on his fishing sojourn at Fraser, Colo., high in the Rockies.

He returned to Denver Friday and was on the golf course when Assistant White House Press Secretary Murray Snyder released the letter.

UN Diplomats See Nothing New In Soviet Actions

UNITED NATIONS, N. Y. (UP) — Western diplomats concluded today that neither Soviet Premier Nikolai Bulganin's disarmament letter to President Eisenhower nor Russian Foreign Minister V. M. Molotov's U. N. speech offered "anything new" in the way of Soviet policy.

Bulganin's letter caused more of an immediate stir here than Molotov's speech. But the 5,000-word delivery of the aging Kremlin foreign chief was being studied in every major delegation headquarters this weekend for clues to departures from past Soviet policy.

An American spokesman said Bulganin's letter on the President's "open skies" arms inspection plan "seems to miss or ignore the point."

U. N. observers after close study found that it contained nothing that had not already been said by Soviet delegate Arkady A. Sobolev in the past four weeks of secret disarmament discussions here among the five major atomic powers.

"The President's proposal is a pre-disarmament proposal," the spokesman said, "which has been clearly defined as such from the beginning."

It would provide an effective safeguard against massive surprise attack, the danger of which is a major source of fear and tension in the world today. Particularly, it would allay fears as between the two nations which are most powerful militarily.

"These fears would be reduced to a level which would make easier an agreement on the second step—which is a multilateral reduction and limitation of armaments and a supporting inspection system."

Thus it appeared the situation would be unchanged when Sobolev and presidential aide Harold E. Stassen face each other in the five-nation disarmament subcommittee at its next meeting next Wednesday afternoon. Both the United States and Russia hold to their previous positions on disarmament and refuse to concede to the other's plan.

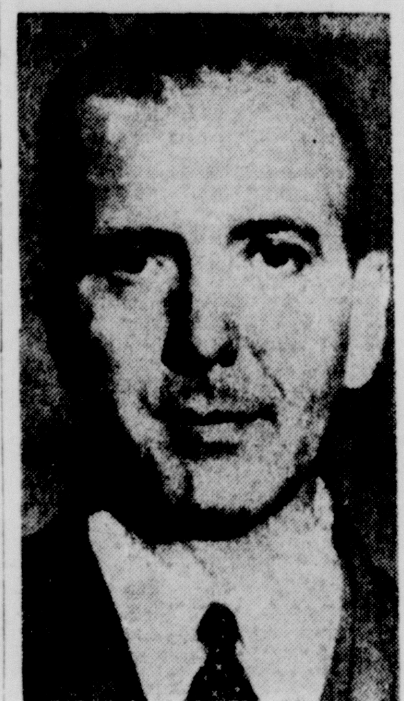

The Harrisburg Electric Co., owned and operated by M. P. and Leila McDonald, has the electric contract on new school construction at Marshall, Ill.

The company yesterday received word that the Marshall board of education had accepted the Harrisburg Electric's low bid of \$64,211 for the electrical work in a new junior high school, in a new gymnasium and high school shop.

The Barmac Co. of Chester had the low bid on the general contract. Marshall is 136 miles north of Harrisburg.

Harrisburg Electric has been active during the past year on contract jobs. During that period of time the company has done the electrical contract work on the Harrisburg Junior high school, the new Carmi high school, the Harrisburg Methodist church, two schools in Johnston City, one school at Valer, and one at Grand Chain, which is now under construction.

Injured in Parachute Jump
Pvt. Richard Harper, who is a paratrooper stationed at Fort Bragg, N. C., is in a hospital with a broken leg received while making a jump. He is the son of Mrs. Ruby Guldage of this city. His address is Pvt. Richard Harper RA 17408312, Ward 56, U. S. hospital, Fort Bragg, N. C.

NEW CHIEF — Gen. Eduardo Lonardi, above, has been named to head the new government of Argentina. Argentine rebels won an unconditional surrender from the ruling generals, who took over power from fallen President Juan Peron. (NEA Telephoto)

OIL REPORT: Three Oil Wells Completed; Seven Dry Tests

Taken from the Robertson Tri-State Oil Report
Oil operations in Saine county showed ten completions for the period ending Sept. 19. There were three wells completed and seven tests were dry and abandoned.

F. L. Strickland's J. P. Jones No. 1, SEC SW SW, 19-75-5e (Tate), made an oil well in the O'Hara with initial production of 220 barrels per day on pump naturally.

The King Shure Oil company's Mahoney Estate Communized No. 1, 250 feet south and 250 feet east of NWE NE, 21-8s 7e (Eldorado), made an oil well in the Waltersburg with initial production 125 barrels per day on pump. This same group's Eva Peace No. 1, 275 feet south and 426 feet west of NWE NE, 21-8s 7e, made an oil well in the Waltersburg with initial production 75 barrels per day on pump.

Dry and abandoned were: Murvin and Stever's Mary Scott No. 1, SWE SE SE, 20-7s-6e (Long Branch); Youngblood's Harold Barnes No. 1, SWE SW NW, 31-8s-6e (Raleigh); Sun Oil Company's Sahara Coal Co. No. 1, 330 feet south and 310 feet east of NWE SW, 36-8s-6e; Eakle and Holder's Ralph Slow No. 1, NWE NE SE, 18-8s-7e; McKelvey and Sipho's O. D. McDonald NE NE NW NW, 19-8s-7e; Vandresser's H. A. Brantlett No. 2, SWE SW SW, 19-8s-7e; and Floyd Runyon's Elmer Martin No. 1, NEE SE SW, 4-10s-6e (Independence).

Other activity:
Dwight Organ Russell No. 1, SEC SE SE, 8-8s-6e, was drilling at 2957'. Shure Oil's John C. Baker No. 1, NEE SW SE, 14-8s-6e, was still testing the Aux Vases lime and was pumping 125 barrels of oil per day.

Lindsay's Sammie Joe Turner No. 1, SWE SE NE, 4-8s-6e, was placed on pump to test the upper Cypress flowing three barrels of oil an hour through the casing.

Fox and King's Burnett Communized No. 1, 442 feet south and 425 feet west of NEE SE NW, 21-8s-7e, was testing the Aux Vases at 2884-2909 and the Waltersburg at 2142-54.

Don Foote's May No. 3, NWE SE NE, 34-8s-6e, was testing the Waltersburg at 2008-16. It swabbed one and a half barrels of oil an hour naturally.

Lindsay's L. F. Watson No. 1, 420 feet north and 330 feet west of SEC SW NE, 18-8s-7e, was waiting on cement to set 5½ inch casing on the O'Hara at 2960-69.

John M. King's Johnson No. 1, 365 feet north and 230 feet east of SWE NW NE, 21-8s-7e, was testing the Tar Springs at 2190-97.

Saline County Man Receives Parole

SPRINGFIELD, Ill. — The Illinois Parole and Pardon Board announced today that 145 paroles have been granted as a result of hearings this month in the cases of 502 prisoners whose names appeared on the August and September dockets.

Paroles granted included: Chester Gollhier, sentenced from Saline county. He has served one year of a one to five-year term at Menard penitentiary. The parole is effective Oct. 1. Gollhier was sentenced for stealing corn from his employer in Rector township on Feb. 2, 1954.

Sudden Upset is First Illness In Many Months

DENVER (UP) — President Eisenhower suffered a "digestive upset" during the night and remained in bed this morning on his doctor's orders, the White House announced today.

Asst. White House Press Secretary Murray Snyder said the White House physician, Maj. Gen. Howard Snyder, was called to the President's bedside at the home of the chief executive's mother-in-law, Mrs. Elvira Doud, sometime during the night.

Gen. Snyder returned to the Doud residence, where the President and Mrs. Eisenhower have been staying during their vacation here, this morning to check the President's condition.

The press secretary said the President was still in bed this morning and that his doctor was "there now."

"If he (the President) comes to his offices at all, it will be considerably later today," the press secretary said.

Speculate Illness Serious

The President's sudden upset was the first illness the chief executive has suffered in many months. He returned only Friday from a four-day fishing trip to the Byers Peak ranch of his Denver friend, Aksel Nielsen, at Fraser, Colo.

Mr. Eisenhower has indicated on several occasions that the state of his health will be a major factor in determining whether he runs for re-election next year.

At a news conference in Washington on Aug. 4, he told reporters that "there would be no great excuse for deferring the decision" on running for re-election "if I now were such an infallible prophet that I could understand all about the world situation, the domestic situation, and my own situation, including the way I feel about health and everything else."

Because the brief White House announcement on the President's condition did not qualify it as a minor nature, there was some speculation that Mr. Eisenhower's illness was considered serious.

Today was the first morning the President had failed to promptly arrive at his offices at Lowry Air Force Base, where summer White House headquarters are located, since he began his vacation here in mid-August.

The President is expected to remain here on vacation at least through Oct. 10, but there have been predictions from unofficial sources that he may stay even a week longer.

Death Takes Mrs. C. C. Warren, 68; Funeral Sunday

Mrs. Emma Ann Warren, 68, wife of Charles C. Warren, died at her home on Harrisburg RFD 2, yesterday at 6:17 p. m. She suffered a stroke two years ago and had been bedfast since last February.

The funeral will be held Sunday at 2:30 p. m. at the Ingram Hill Baptist church. Rev. Clayton Humphrey will officiate and burial will be in the church cemetery. Four grandsons and two son-in-laws will serve as pallbearers.

She was a member of the Saline Valley church.

Mrs. Warren was born near Rudement, the daughter of Hill and Martha Jane Sisk, and her entire life was spent in Saline county.

Besides her husband she leaves the following children: Mrs. Bernice Norman, Harrisburg, Ill.; Warren, Centralia, Ted Warren, Harrisburg, Mich.; Gertrude Von Linen, Detroit, Mich.; M-Sgt. C. C. Warren, Indianapolis, Ind.; 16 grandchildren and five great-grandchildren. Brothers and sisters surviving are Mrs. Carrie Hicks, Pontiac, Mich.; Mrs. Ethel McDonald, Harrisburg, RFD 2, Dr. B. H. Sisk, Lawrenceville, William McKinley Sisk, Pontiac, Mich.

A brother, Chalon, Pontiac, and a two-year old son, Charles Burnett, preceded her in death.

The body lies in state at the Harrisburg funeral home.

This Week at
DIXON SPRINGS
University of Illinois Experiment Station

A round-up of the week's work, activities, and observations at the University of Illinois Dixon Springs Experiment Station near Robbs in southern Illinois, prepared by the Station's staff.

Using Native Ladino Clover Seed?
Ladino clover is a close cousin of the common white clover that grows native in midwestern pastures. But the white clover is much smaller and therefore much less productive than its giant relative. Since the white clover is native, seed from locally produced Ladino will probably contain a lot of white clover seed. For this reason, it's advisable to buy only certified Ladino clover seed produced in white-clover-free areas. The irrigated sections of the west and northwest are such areas.

The Big Fill
The unknown visitor approaching the Dixon Springs cattle headquarters would naturally assume that the Station cattle are wintered on hay. He would not suspect that behind the barns, hidden in a gentle hillside, is a tremendous, concrete lined trench capable of storing 1,000 extra tons of silage.

This hole in the ground is now being filled. It will devour over 100 acres of corn that will provide winter silage for about 500 mature beef animals. Before this silo is full, over 300 truck loads of chopped forage will have been dumped into its hungry maw.

As each load is dumped, it will be spread and packed by a tractor to squeeze out the air. Air in the mass supports molds and harmful bacteria that cause spoiled silage. When the trench is filled, it will be rounded off like a giant loaf of bread in a baking pan. Chopped forage will extend above and beyond the side walls to provide surface drainage. This winter the silage will be removed with a tractor loader and fed at the rate of 20 to 25 pounds daily to calves and about 40 pounds to mature cows.

Burning Off Fields
Many of the fires that rage through the under-dry woods in the Ozark region of southern Illinois may be traced to intentionally burned-off fields. These fields usually support a heavy cover of broomedge and are burned to make plowing easier. Also, soil nitrogen is tied up in rotting the fibrous, wild grass. This is nitrogen that the corn crop will not have for production. But burning such cover is a short-sighted farming practice. One of the most serious shortages in southern Illinois soils is organic matter. This shortage is one of the reasons the soil bakes brick hard in the summer heat, plows up in rocky clods and rolls down the rain-swollen streams as yellow gold.

Profit doubly by not burning-off these fields. Save your timber and your soils.

Instead of burning it, add nitrogen to broomedge, plow it under, produce a good corn crop and save the precious organic matter.

Cost-Sharing Still Available for Soil Conservation

Farmers who are interested in carrying out soil conservation practices this fall and need cost-sharing assistance should consider signing up under the AC program. Paul B. Whitlock, chairman of the local ASC office, advises:

"As a result of additional funds and authorizations, we are now in a position to offer more assistance to farmers than was originally thought possible," explained Mr. Whitlock. Therefore, farmers who have need for such practices as limestone, rock phosphate, ditches, ponds, terraces, soil waterways and pasture establishment are invited to stop at the office located in the City Hall, Harrisburg, to discuss the program.

"It should be clearly understood," continued Mr. Whitlock, "that farmers are eligible for the AC program even though they do not comply with the corn and wheat allotment programs. Such a restriction was in effect at the beginning of the year but it was removed last spring by congressional action."

All farmers desiring to participate in the AC program must file a request for assistance before the practice is started. Such requests can be filled out at our office and they will be accepted as long as funds are available.

"Although it is our purpose to concentrate on obtaining increased conservation work during the remainder of the 1955 calendar year, farmers who desire to make advance plans for projects to be carried out in 1956 may sign up for the 1956 program beginning Oct. 1," Mr. Whitlock stated.

Winter Grains For Hay, Silage

DIXON SPRINGS—Rye is usually the highest yielding in terms of dry matter for hay or silage, says G. E. McKibben, researcher at the University of Illinois Dixon Springs Experiment Station.

Then come winter barley and winter wheat, followed by winter oats with the lowest dry matter yield.

When hairy vetch is seeded with the winter grain, the dry matter stays the same, but the protein content gets a little higher, McKibben adds.

He says that when vetch was seeded with rye, barley and oats at Dixon Springs they all yielded about the same amount of protein. And many times even low-yielding oats compared favorably with the others.

In tests at another station, milk-stage wheat alone yielded 3.3 tons of dry matter an acre with 342 pounds of protein. But when 15 pounds of vetch was seeded with the wheat, the protein yield jumped to 537 pounds an acre, while the dry matter stayed the same.

Before you decide to use vetch, McKibben cautions, remember that it has hard-coated seeds that may volunteer in small grains to be harvested for grain. If that doesn't bother you, then vetch can be a valuable addition to grains for hay or silage, he says.

10 Million Seedlings Available at State Nurseries

SPRINGFIELD, Ill. — Approximately 10,000,000 seedlings are available for purchase from two Illinois state nurseries for reforestation and wildlife planting on Illinois farmlands this fall and next spring, it was announced today by E. E. Nuttall, state forester for the Department of Conservation.

Orders already are being received in the Springfield office and application blanks and price lists are available at county agriculture offices throughout the state. Blanks and lists also may be requested from the State Division of Forestry office at 303 East Monroe St. in Springfield.

Orders will be accepted by the Forestry Division through April 30, 1956, but Nuttall urged landowners to get in their applications early in order to avoid expected exhaustion of supplies of the more popular species.

Prices of seedlings range from \$5 per 1000 to \$15 for red and white pine. Multiflora rose seedlings are priced at \$12.50 per 1000. All stock is sold at cost.

Species available in lots of 500 or more include black locust, black walnut, cottonwood, Osage orange, jack pine, red cedar, red pine, white pine, ash, red gum, sycamore, tulip poplar, bald cypress, loblolly pine, Scotch pine and shortleaf pine.

Cypress, loblolly and shortleaf are recommended for planting in southern Illinois only, and Scotch pine for Christmas trees only. Trees purchased from the department are to be planted on rural land for the establishment of a new forest, for the improvement of a forest already existing or for wildlife habitat and are not to be used for ornamental or landscaping purposes.

It often looks like the stork is kidding some folks too much.

SIU Country Column

By Albert Meyer

Today's discussion deals with a phase of wheat production. Mostly the subject is nitrogen.

Winter wheat continues to be an important cash grain crop in southern Illinois, especially in the less rolling areas north of the rugged hill land of the southernmost counties. St. Clair, Washington, and adjacent counties comprise the greatest wheat producing area in the state. Illinois produces some 40 million bushels of wheat annually. Two-thirds of it is grown in the southern third of the state.

Wheat depends heavily on nitrogen. It uses more of this plant food element than of either phosphorus or potassium (notash). A 40-bushels-per-acre wheat crop is not an unusual yield today in a good season in Southern Illinois—needs 60 pounds of nitrogen per acre as compared to 25 pounds of phosphorus and 40 pounds of potash. It must be emphasized, too, that phosphorus and potash requirements must be met to get the full benefit of the nitrogen.

There are four general sources of nitrogen.

Some of it comes from organic matter in the soil. A silt loam soil having one percent organic matter content will release nearly 25 pounds of nitrogen to the growing crop. Much upland soil in Southern Illinois contains less than one percent organic matter during the growing season.

Additional nitrogen is brought down by rain water. Estimates are that from five to eight pounds of nitrogen per acre annually are washed down from the air by rain.

Certain bacteria fix nitrogen in the soil from the atmosphere. There are two groups. The less important of the two is that which fixes nitrogen without the aid of a legume plant.

The effectiveness of this group depends on the amount of organic matter and lime in the soil. More nitrogen will be fixed in limed soil having a good supply of organic matter than in acid soil with low organic content. These bacteria add from five to ten pounds of nitrogen per acre to the soil annually.

The legume bacteria of the nitrogen-fixing group provides the highest natural source of nitrogen. An acre of sweet clover will fix nearly 120 pounds of nitrogen. Bacteria on soybeans fix about 70 pounds. The value of these legumes to wheat comes from plowing them down as a green manure crop. If this used, only one half of the total nitrogen fixed will be released for the succeeding crop so, in figuring the amount of nitrogen available for wheat, divide the above totals by two.

Frequently, however, legume crops are not plowed down prior to planting wheat. In such instances only one-third of the nitrogen needed for a 40-bushel wheat crop is available in the soil. Here the source of plant food needed to make up the deficiency needed for

Arcadian 12-12-12 GRANULAR FERTILIZER

Fertilizer in the ground this fall makes money in the pocket next year. Leading farmers are finding that concentrated, balanced ARCADIAN® 12-12-12 is the ideal fall fertilizer for winter grains, for pastures and for plow-down. Granular, free-flowing ARCADIAN 12-12-12 doesn't cake in the bag, doesn't bridge in the drill or spreader.

Full-feed your wheat and barley with 300 to 600 pounds per acre of ARCADIAN 12-12-12 to provide all the plant food needed to make bin-buster yields. Use 200 to 400 pounds on pastures to make extra weeks of rich, green feed this fall and in early spring. Plow down ARCADIAN 12-12-12 now with stalks and stubble to get plant food deep in the root zone for next year's crops. Use ARCADIAN 12-12-12 now for extra profits next year.

Calendar Of Meetings

There will be a panel discussion of "United Nations" Monday at 2 p. m. at the Harrisburg Woman's club, which all members are urged to attend.

Delta Alpha chapter of Delta Theta Tau will meet at the public library Monday at 7:30 p. m. for the regular business session.

The Harrisburg Union will be in charge of the W. C. T. U. program over WEBQ Monday at 2:30 p. m.

The American Legion will meet Monday at 7:30 p. m. Paul Golish, Cmdr.

The Sunday school of Bethel A. M. E. church will have a social on the lawn of the home of Mrs. Robert Hennings in Wilmoth Addition today beginning at 4:30 p. m.

Charles Crabtree, who is employed by the Detroit Gear factory, and has been at his former home here visiting his parents, Mr. and Mrs. Charles Crabtree Sr., is returning to Detroit this week end.

TO DISCUSS UNITED NATIONS—Ray Durham, County Judge Trafton Dennis and the Rev. W. L. Cummins (shown left to right) will form a panel to discuss "United Nations" at the International Relations program Monday of the Harrisburg Woman's club. The three will discuss past accomplishments of the UN and the present and future outlook. The meeting will be held in the club room of the public library at 2 p. m. and Mrs. W. H. Upchurch will preside as chairman. Mrs. L. M. Hancock will give the meditation. Hostesses will be Mrs. John Jones and Mrs. Dean Hill.

Marriage Licenses

Frank Nutty, 22, Vienna, and Barbara Lloyd, 18, Carrier Mills.

Dan C. Brown, son of Mr. and Mrs. V. V. Brown, has returned to Vanderbilt university, Nashville, Tenn., where he will be a sophomore. He is a member of the A. T. O.

Social and Personal Items

MR. AND MRS. CLARENCE PARIS whose marriage of Sept. 10 took place in Kankakee at the Southern Baptist church. Mrs. Paris is the former Miss Phyllis June Webb.

Miss Phyllis June Webb Weds in Kankakee

Mr. and Mrs. Clarence Ritchey, former residents of Harrisburg who now reside at 565 North Schuyler, Kankakee, are announcing the marriage of their daughter, Miss Phyllis June Webb, to Clarence Gratton Paris, son of Mr. and Mrs. Ivan S. Paris, also of Kankakee.

The wedding took place Saturday, Sept. 10, at 6:30 p. m. at the Southern Baptist church in Kankakee with the Rev. L. F. Mathorey officiating at the double ring ceremony.

The bride wore a powder blue suit and a corsage of yellow carnations, and Mrs. Joanne Rice, who served as matron of honor, was dressed in a bluish gray suit with a pink carnation corsage.

Maurice Paris of Galatia served as best man.

Mrs. Ritchey chose for her daughter's wedding a beige dress with brown duster and pink carnations and Mrs. Paris wore a navy dress with pink carnations.

Following the wedding a supper was held at the home of Mr. and Mrs. Ritchey.

The bride graduated from the Harrisburg Township high school and is employed at Bear Brand Hosiery Co. The bridegroom attended Galatia high school and is with Tutill Springs Co. in Mokena.

The couple will reside at 565 North Schuyler in Kankakee.

Pupils of Mrs. Perry Moore to Perform at Auxiliary Meeting

The American Legion Auxiliary will hold its September meeting Tuesday at the Auxiliary hall with Mrs. John Humm, the newly installed president, presiding.

Mrs. Perry Moore, music chairman, will present a group of her pupils who will give a recital.

All Auxiliary members are urged to attend.

Mrs. Frances Karnes and daughter, Sherry Kay, have returned from Germany and are visiting at the home of her parents, Mr. and Mrs. Bennett Webber in Raleigh, Wis., with Mr. and Mrs. Gratton Karnes, is stationed overseas with the U. S. Army near Munich, Germany, and will return to the United States about the first of the year.

Mr. and Mrs. Leibern Lockwood and daughter, Sandra, Pontiac, Mich., are spending a few days with his parents, Mr. and Mrs. C. L. Lockwood of Galatia.

Mrs. H. J. Aldrich, LaGrange, Ind., formerly of this city, is a guest in the home of Mrs. M. D. Nesler.

The porcupine is the only edible animal that can be killed easily without firearms.

Wayman Presley Speaks At District Meeting Of Women's Club Officers

The officers of district 24 of the Illinois Federation of Women's clubs met for an all day session yesterday in Albion. The president, Mrs. Roy Milburn, of New Burnside, presided.

A noon day luncheon was held after which the district chorus sang. Guest speaker for the afternoon was Wayman Presley, Makanda, promoter of The Cross which is to be erected on Bald Knob and which is sponsored by the National Federation of Women's clubs. Mr. Presley stated that the completed project will cost \$3,000,000 and gifts had reached \$98,000 thus far. Donations are coming in from every state in the union and several states have exceeded the gifts of Illinois, Mr. Presley pointed out.

The following were present: Mrs. W. W. Wheatley, Mrs. Kenneth O'Neal, Freda Keltner, Mrs. C. E. Wing, Mrs. James Gwaltney, Mrs. Ernest Cozart, Mrs. Trafton Dennis, Mrs. Harry Barter, Mrs. W. L. Tate, Mrs. C. W. Whitley, Mrs. Arthur Moore and Mrs. Paul Golish.

The next meeting will be Oct. 20.

Mr. and Mrs. Lloyd L. Parker are now at home from Petoskey, Mich., where they have gone annually for the past 30 years that Mr. Parker may have relief from severe hay fever attacks. They left Harrisburg August 12 and drove by way of Libertyville, spending two nights at the home of Mrs. Burtrum Abney, sister of Mrs. Parker, and on the return trip visited in Steven's Point, Wis., with Mr. and Mrs. Bob Hine, brother and sister-in-law of Mrs. Parker. While in Petoskey they were guests at Hotel Perry as they are each year.

T. M. Myers, 1302 South Granger, is at home from the Lightner hospital where he was taken two weeks ago after suffering a heart attack. With him are his son-in-law and daughter, Mr. and Mrs. Weldon G. Scott, Detroit, Mich.

Mr. and Mrs. Lloyd L. Parker are now at home from Petoskey, Mich., where they have gone annually for the past 30 years that Mr. Parker may have relief from severe hay fever attacks. Army Ordered To Sell Nation on Defense Value

WASHINGTON (AP) — Gen. Maxwell D. Taylor has ordered the Army to start selling the nation on its "true character and worth" as a vital defense arm in the atomic age, it was disclosed today.

After almost three months in office, the new chief of staff apparently has concluded that too many civilians have lost sight of the ground forces' importance and too many officers are dispirited over shrinking Army size.

The Army groped its way into the atomic era more gingerly than the Air Force and Navy. But it now believes it has the formula—a

variety of nuclear and powerful new conventional weapons, and a streamlined battlefield organization with heavy emphasis on air movement.

Taylor, in a letter to top commanders and staff officers, has ordered an aggressive public relations campaign to replace present "relatively inept" efforts to make the Army known.

Taylor put his stepped-up public relations campaign into practice today with a speech at the cotton festival of Aiken, S. C. In his prepared address he said that if the Communists begin a new war, "among the first to confront them will be an American soldier."

He said "the enemy must be met and stopped by ground forces deployed abroad, and then defeated by the combined efforts of the Army, Navy and Air Forces supported by the resources generated at home."

There are 15 passenger bridges over the Thames River in London County.

OBITUARY
Donald Ray Black was born January 20, 1934, and passed away in Pontiac, Mich., Sept. 10, 1955, at the age of 21 years, 7 months and 20 days.

He was the son of Samuel and Lula Black. He received his education in the schools of Harrisburg. Three years ago he went to Michigan and found a job at the Fisher Body plant. Being a single person, he found a roommate and a fellow workman by the name of Russell Fox from Arkansas. He was employed at the same plant and they were the best of friends.

He was an industrious young man and had many friends because it was easy for him to make friends. His disposition was such that whenever he met appreciated his sincerity and honesty.

His father having preceded him in death he leaves his mother, Mrs. Lula Black; stepfather, Herman; two sisters, Mary Rice, Carrier Mills, Rudy Tolley North Chicago; brothers, Edward Dale and Esdon, Pontiac, and Floyd at home; half sisters, Ethel, Shawneetown, Dora, Wyoming; half brother, Ola Black, Junction; stepister and brother in California, James Mick and Omgene Numan, besides other relatives and a host of friends.

Sometime we'll understand. Not now, but in the coming years, it may be in the better land. We'll read the meaning of our tears. And there, sometime, we'll understand.

Then trust in God through all thy days. Fear not for He doth hold thy hand. Though dark thy way still sing and praise: For sometime, sometime we'll understand.

We'll catch the broken threads again. And finish what we here began. Heaven will the mysteries explain. And then, Ah, then we'll understand.

Sleeping Sickness Strikes Community In Indiana; Six Dead

FORT BRANCH, Ind. (UP)—Encephalitis, a form of sleeping sickness, has struck at least 12 persons in this tiny community and killed 6, the Indiana State Board of Health reported today.

Dr. Albert Marshall, head of the board's communicable disease section, said at Indianapolis that the deadly brain disease so far has claimed only elderly victims.

He said this Gibson County area is full of mosquitoes, and it was believed they are the source of the disease.

The victims, who died the last two weeks, were Maggie Singleton, 64, Miss Ollie Spore, 75, William Wilhite, 69, Ruben Shannon, 72, Mrs. Fanny Robinson and Louis Onyett, ages unknown.

Three Northwestern U. Athletes Arrested In Tavern Brawl

CHICAGO (UP)—Three Northwestern university athletes — two of them husky football players — will appear in Boys' Court Monday in the critical hearing of a 24-year-old man in a tavern brawl.

The injured man, Francis Lenagh of Boston, employed here as a moving van helper, is in St. Francis hospital, Evanston, Ill., with a possible skull fracture and severe facial lacerations.

Arrested Friday were John Bajas, 22, Youngstown, Ohio, and C. Louis Spiridon, 20, Crystal Lake, Ill., both members of the freshman football squad, and George Gondek, 20, Michigan City, Ind., a junior and former member of the varsity football squad.

Patterson Rites In Hardin County

The funeral of Mrs. I. W. Patterson of Karbers Ridge community who died Thursday morning in the Lightner hospital will be held today at 2 p. m. at the Good Hope church in Hardin county. Rev. Arthur Austin will officiate and burial will be in the church cemetery.

MEN NEEDED
Joliet, Ill.

We have jobs for men with no previous experience. Some High School training would be helpful since these jobs offer opportunities for advancement.

Also Skilled Openings

Durocher to Leave Giants After End of Season; Rigney to Be Manager

NEW YORK (AP) — Leo Durocher will leave the New York Giants within the next few weeks and Bill Rigney of the Minneapolis Millers will succeed him as manager, it has been learned by the United Press.

Durocher's departure will take place by "mutual consent." The decision was reached at a recent meeting of the Giants' board of directors but Club President Horace Stenham felt it would be wiser to

make the announcement at the end of the season.

Confronted with the report, Charles (Chub) Feeney, vice-president of the Giants, said, Stenham "has said before that no announcement will be made on the situation until the season is over."

Two Pennant Winners

The 49-year-old Durocher, who won two National League pennants with the Giants and led them to a world championship last year, merely said:

"I'm going to have a talk with Mr. Stenham soon and it will be settled then."

Although Durocher often has said, "When I take off this Giants uniform, I'm through with baseball," there is a strong chance he may wind up as the 1955 manager of the St. Louis Cardinals, for whom he played shortstop from 1933 through 1937, or of the Milwaukee Braves.

Regarded as one of the shrewdest managers in the game, Durocher has finished in the first division 12 of the 17 years he served as a big league player. In addition to winning the pennants with the Giants in 1951 and 1954, he also finished first with the Brooklyn Dodgers in 1941.

Climbed Third Place

Durocher received an estimated \$50,000 with the Giants this year and also enjoyed an unlimited expense account. His current club fell far behind Brooklyn in the early stages of the pennant race and clinched third place last Wednesday.

Rigney, 35, is a former infielder like Durocher but he has only two years of managerial experience in the minors.

He currently is directing his Minneapolis club in the Little World Series against Rochester of the International League. Rigney came to the Giants from Oakland of the Pacific Coast League in 1943 and played shortstop and third base on a fairly regular basis through the next four years.

Named manager of Minneapolis at the start of 1954, Rigney finished in third place last year and led the Millers to a pennant this year.

Richards Fined \$2,500 For Rules Violation

NEW YORK (AP) — Baseball Commissioner Ford Frick admitted today he could have suspended Baltimore General Manager Paul Richards for an entire year for his "intentional" violation of the bonus rule.

Instead, Richards was fined \$2,500 for signing rookie pitcher Tom Borland of Oklahoma A&M for \$40,000 without the knowledge of higher Orioles officials. Frick also reprimanded the Orioles' boss-man for pitching Borland in an exhibition game under an alias and failing to file the youth's bonus contract in the American League office.

West Frankfort Beats Johnston City

West Frankfort scored four touchdowns in a big second quarter Thursday night to capture a 27-14 victory over Johnston City. Johnston City scored easily the first time they got the ball to take a 7-0 lead, but collapsed in the second period.

Ten million persons will pay the final installments on their automobiles this year.

Centralia Trips Benton, 12-0; Herrin Outclasses Mt. Vernon Rams, 40-6

By United Press

Wheaton, Canton, Benton, Mount Vernon and Moline were bitten by an early-striking upset bug Friday night in Illinois high school football.

The winning ways of Wheaton, which had compiled a 21-game streak without defeat, were ended by Wausau, Wis., 21-0.

Peoria Spalding, laced 26-6 by Peoria Limestone 20-19. This week, Limestone fell before Big 12 champion Centralia 13-0, while another strong Peoria team, Manual, rolled over Springfield Lanphier 33-0.

Pekin followed last week's Starch Bowl victory over Argo with a 20-0 whitewash of East Peoria.

Benton, a pre-season choice of some in the South Seven, lost 12-0 to defending champion Centralia, a victim of Flora in its opener. Mount Vernon, also mentioned as a South Seven contender, was completely outclassed by Herrin 40-6.

Harrisburg remained the South Seven team to beat with a 32-6 runaway against Marion. Murphy, who had Chenoa's win streak beat, Saybrook-Arrowsmith 27-6, and Chenoa took out its loss on Lexington 32-8.

Big Eight favorite Aurora East conquered Chicago Heights Bloom 26-12. Elgin also kept Big Eight colors flying 13-7 over Harvey Thornton. Rockford West beat a good Dixon team 16-0 and Rockford East edged Belvidere 7-0.

Niles of Skokie stunned Maywood Proviso 13-0. Blue Island ran away from Lockport 33-6. Arlington Heights dimmed Hinsdale's West Suburban hopes 20-13.

Ridgway Defeats Harrisburg, 18-15, To Win Tourney

Ridgway grabbed championship honors in the regional grade school football tournament, defeating Harrisburg 18-15 in the title tilt Friday afternoon.

Next week at Du Quoin the grade school state tourney is scheduled to be played and Ridgway will represent this region, however the schedule for the Du Quoin tourney has not been released.

Yesterday's game was played under adverse conditions that affected the play of both teams. The rain had made the regular diamond too muddy for play so a field was lined out in the outfield grass of the town park diamond. The infield was weeded covered, rough and the ball was hard to handle as it became slick from the dampness.

Pitchers had trouble with their control and a majority of the runners were set up as a result of bases on balls.

Following the final out Louie Beltz, tourney manager, presented the championship trophy to Monte Hamilton, Ridgway captain. The Harrisburg team also received a trophy for taking second place.

The tournament had eight teams entered and ran over a four-day period.

Eldorado Powers to 41-0 Win Over McLeansboro for Second Straight

Eagles Pick Up 15 First Downs For 434 Yards

Eldorado powered to a 41-0 victory over McLeansboro Friday night in a high school game played on the losers' gridiron. The decision left Eldorado unbeaten in this young season while McLeansboro has a 0-0 tie and a loss for the year.

McLeansboro, returning to varsity football competition after a layoff since 1929, was completely overmatched. The home club lacked the experience and polish of the veteran Eldorado team.

Eldorado rolled to 15 first downs to four for McLeansboro and the Eagles picked up a total of 434 yards from scrimmage to 40 for the losers.

In Eldorado's yardage total were 324 from running and 110 by passes. McLeansboro was held to a net of 17 yards on the ground and gained 23 yards through the air.

First Score on Pass

The Eagles' first score came with 5:01 left to play in the opening quarter. Eldorado started the TD drive from the McLeansboro 36 yard line where a punt had been downed. Acie Gwaltney gained 9 yards, then Clark hurled a perfect pass to Stroke who ran 15 yards to the end zone. Gwaltney ran for the extra point.

Eldorado was driving for the goal line as the quarter ended with the ball on the 22 yard line, second down and two to go. On the first play of the second quarter Clark again found Stroke with a pass for a 17-yard gain. Foster made two and Lovellette then plunged for the TD. The extra point try failed. The clock showed 10:41 left to play.

About seven minutes later Gwaltney made a beautiful catch of a pass from Clark for a 25 yard TD. Lovellette plunged for the point and Eldorado's lead mounted to 20-0.

One McLeansboro Threat

Shortly after the start of the second half Lovellette broke over his left tackle and raced 62 yards for a TD. Gwaltney ran for the

point. Only a minute of the period had elapsed.

With a little more than three minutes remaining in the third quarter Gwaltney raced eight yards for a TD and again Lovellette carried for the point. This drive was featured by some nice running by Foster, Eldorado reserve back, who played an outstanding game throughout.

The final score of the night came with less than a minute of the last frame with Lovellette going 16 yards for the TD. Foster went over for the point.

McLeansboro's most serious threat came late in the game after Hatcher intercepted a pass and galloped 25 yards to Eldorado's 22 yard line. A couple of passes fell to the ground, then Gateley gathered in a pass and advanced to the 16 yard line as the game ended.

Substitute Freely

Eldorado Coach Al Adams substituted freely throughout the game, giving every player a chance to see varsity action. He used his reserve backfield as a unit on several occasions and the boys performed in a creditable manner. Feunquay at quarter handled the ball well from the "T" and passed accurately, while Foster and D. Gwaltney at the half-back spots and Phelps at fullback showed much potential.

The Eagles played without the services of Bob Potts, regular half-back, and McLeansboro's quarter-back, Hall, was out of the game because of illness. Potts has a rib injury, received in the opening game of the season.

Starting Lineups — Eldorado: Chandler and Kingery ends, Putnam and McClary tackles, Mosby and Mitchell guards, Laffoon center, Clark quarterback, Stroke and Gwaltney halfbacks and Lovellette fullback; McLeansboro: Sloan and Lee ends, McMahon and Ellison tackles, Neal and Leuke guards, Peter, center, Deltz quarterback, Gateley and Hatcher halfbacks and Bell fullback.

Officials — Huff of Du Quoin, Sonner of Fairfield and Stille of Harrisburg.

Eldorado Merchants To Play at Uniontown

The Eldorado Merchants will play at Uniontown, Ky., Sunday afternoon. Team players are requested to meet at the Kroger store on Locust street in Eldorado at noon ready to make the trip.

Yankees Win 21st American League Pennant

Whitey Ford and Don Newcomb To Open Series

By United Press

The New York Yankees and Brooklyn Dodgers will begin their sixth "subway" World Series next Wednesday with left hander Whitey Ford probably pitting against right hander Don Newcomb.

New York, climaxing a magnificent late-season rally, won its 21st American League pennant Friday night by defeating the Red Sox at Boston, 3-2.

The Dodgers clinched the National League flag Sept. 8. Rain forced them to rest in Pittsburgh Friday while their arch series rivals qualified to play host in the first two games of the 1955 classic. Brooklyn hasn't won a World Series in seven tries and has lost five of them to the Yankees.

Boston frustrated New York by winning the afternoon half of a day-night doubleheader, 8-4. That loss snapped an eight-game Yankee winning streak but Manager Casey Stengel's men snapped back at night to win and crush Cleveland's faint hope of retaining the pennant it won last year.

The second place Indians were rained out at Detroit as the Yankees climaxed their pennant push. Cleveland has two games Saturday against the Tigers but will be playing only to hold second place against the Chicago White Sox.

Season Ends at Boston

New York ends its regular season with single games at Boston Saturday and Sunday. Cleveland has three more games but trails by 3-12.

Pinch-hitter Eddie Robinson's fifth inning single with two out scored Bob Cerv from second base with what proved the pennant-clinching run.

Don Larsen, who weakened in the seventh after getting one man out, was the winning pitcher. But left hander Ford, who relieved Larsen, got the big dividend.

"Ford won the right Friday night to pitch the opening game of the series and that's just what he's going to do," Stengel said. "We'll take care of ourselves in the series."

At Pittsburgh, Manager Walt Aulton said his Dodgers were "up" for the series and that he had expected the Yankees to win in the American league.

In Friday's other American league games, the White Sox defeated the Athletics, 12-4, and the Senators defeated the Orioles, 6-4 and 7-3. The Phillies defeated the Giants, 5-1, and the Braves downed the Cardinals, 4-2, in the only National league games played.

Locals Show Power In Line in 32 to 6 Victory; Wildcat TD on Long Run

The Harrisburg Bull Dogs, showing a stalwart line, fair running and good passing, opened their South Seven conference football season last night with a 32-6 victory over the Marion Wildcats.

The night was pleasant and the Bull Dogs were backed by a huge crowd that followed the team to Marion for the contest.

Marion wasn't a bad team at all, with big, rangy linemen and very fast backs. The lone Wildcat tally came in the fourth quarter on a 75-yard run by Jack Anderson, twin brother of Jim, who directed the team from quarterback. Harrisburg had a 32-0 lead at the time.

Local Scoring

Here is how Harrisburg scored:

1. Tony Beal smashed nine yards through the line in the first quarter.

2. Pass, Beal to Joe Dorris, for 17 yards in first quarter.
3. Pass, Wayne Hefner to Dorris, for four yards in second quarter, with successful plunge for extra point by John Ziegler.

4. Beal on a four-yard plunge, carrying half the Marion team over the goal line with him, at the outset of the fourth quarter.
5. Ziegler on a pass interception, the junior fullback doing some nice running as he raced 47 yards with good interference to score. Ziegler's plunge for extra point was good.

The statistics were all in favor of Harrisburg. The locals made 12 first downs, six in each half, to three for Marion. They gained a net 258 yards from scrimmage—165 by rushing and 93 by passing. They completed eight out of 17 forward passes for the 93 yards and had one interception. The locals were penalized 60 yards.

Wildcats Net 48 Yards

Marion made a net 48 yards rushing and failed to complete any of its 10 passing attempts. Two passes were intercepted. Marion was penalized 15 yards.

So another night of football again showed the power of the Harrisburg front line—Richard Hess and Jay Waite at guards, Ronnie Williams at center, Everett Evans and Ken Price at tackles and Jim Williams and Joe Dorris at ends, plus the linebacking of Beal, Hefner and Ziegler.

And figures show that the running was not bad, although more polish is definitely needed by the entire team on offense. For example, in the blocking department, two 15-yard penalties hurt the Bull Dogs badly when Wright, then McKenzie, were off and going. The figures show that McKenzie averaged 5.4 yards per try, hitting off for a net 54 yards in 10 tries. Beal carried 14 times for a net 72 yards, or 5.1 yards per try; and Wright carried 11 times for a net 53 yards, or 4.8 per carry.

Co-captains for the game were Ron Williams and Jack Wright. Harrisburg showed definite superiority in the first quarter as the Bull Dogs ran off two touchdowns with Beal throwing well and Joe Dorris making some excellent catches. Big Everett Evans looked especially good during this period when he broke through to throw a Marion ball carrier for a 20-yard loss.

Calafetti Uses Reserves

However, in the second period, both teams started fumbling the ball over to the other side, and most of the penalizing by the officials came in the quarter.

Although Harrisburg did not score during the third frame, they carried the ball well on short advances, rolling up four first downs in a row after holding Marion on the H-2. A 15-yard penalty and a 12-yard run by Joe Guley, Marion fullback, had put the Wildcats in scoring position.

After Ziegler made the final local tally early in the last quarter, Coach Lawrence Calafetti started putting in his reserves. During the last six minutes of play everybody on the bench got in on the act.

Besides boys already mentioned, the following boys also saw action: Mike Hays, who was at quarterback about half the time; Danny James, Ronnie Reynolds and Dickie Drue, tackles; Phillip Morse, Jack Foster, Jim Cummings, Bob Shewmake, and Trevor Whiteside, halfbacks; Bill Henshaw, who again handled the kickoffs, and Bennett Fulkerson at ends; Lyndell Stacy and Lou Williams at guards, and Ronnie Vick at center.

Stars to Play at Golconda Sunday

The Harrisburg Stars, who will travel to Golconda Sunday afternoon, will be trying for their 14th win of the season. They have lost eight games.

Golconda has been playing in league competition this past season and finished second in the playoffs. Bubba Hughes will be the receiver for Golconda with a hard throwing pitcher. Harrisburg will have Shewmake behind the plate and the pitcher is undecided. Others in the local lineup will be Don Smith, Price, Karnes, Ziegler, Rod Smith, K. Nolen, Harrison, Kennedy, Roy Hughes and Rauh.

Game time is 2 p. m. All players are asked to meet at the town park diamond not later than 12:15 to make the trip to Golconda.

THRESHOLD

What is education but a broadening of man's knowledge, enabling him to live a better life? Education is like a doorway leading to the fulfillment of dreams and ambitions. Beyond it lies the vast chamber of the mind, and scientists know that in a lifetime most men develop only a small part of their mental potentialities.

In our search for education today, one type is sometimes slighted . . . religious education. Yet in all the fields of learning what could be more important? Man needs Faith and a knowledge of his Church if he is to reconcile so much that is happening in the world of today with the kind of future he would like to have. In your reading and studies, don't forget religion. There is nothing stuffy about the study of it, nothing dull. It is as significant as yesterday . . . as full of promise as all tomorrow.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Day | Book | Chapter | Verses |
|-----------|----------|---------|--------|
| Sunday | Psalms | 119 | 1-16 |
| Monday | 1 Samuel | 16 | 1-7 |
| Tuesday | Proverbs | 2 | 1-11 |
| Wednesday | Proverbs | 13 | 9-15 |
| Thursday | Matthew | 19 | 16-30 |
| Friday | Matthew | 20 | 20-28 |
| Saturday | Hebrews | 12 | 1-13 |

'Renewed Allegiance To the Law'

Ezekiel 20:199-20; Nehemiah 9:1-3; 10:32-39

GOLDEN TEXT: "I am the Lord your God; walk in my statutes, and keep my judgments." (Ezekiel 20:19)

INTRODUCTION — The word of God, the Holy Bible, is like a mirror. When we look into it we see ourselves as we are. One cannot read the Bible without becoming aware of his own sins and shortcomings. The writer of the book of Hebrews tells us that God's word is like a two-edged sword. It cuts deep into the secret parts of one's life.

If this were all, we would not desire to read God's word. However, the Bible goes further. It also tells one how he may have his sins forgiven and how he can live a righteous kind of life. It also gives assurance of eternal life to the believer.

Do you read your Bible daily? You certainly should. Your whole life (home, business and social) will be changed for the better, if you will spend a part of each day reading God's word.

I GOD'S PROMISE (Ezekiel 20:19-20)

God here issues a command: "I am the Lord your God. Walk in my statutes, and keep my judgments, and do them." He is our God. He has created us and blessed us during all the days of our lives. Surely we ought to obey His statutes and judgments.

The following verse admonishes us to "hallow my sabbaths." We know that the Jews kept the sabbath religiously. Saturday is the sabbath. Since Jesus arose from the tomb on Sunday, Christians have kept that day as their "holy day," or day of rest and worship. We should be as faithful in keeping the "Lord's Day" holy as the Jews were in keeping the sabbath. God has promised we may know that, "I am the Lord your God," if we will be faithful in keeping His statutes.

Additional Church Notes On Page Three

II—SEPARATION AND CONFESSION (Nehemiah 9:1-3)

God's people are a separated people. When the children of Israel entered into the Promised Land they were supposed to have separated themselves from the foreigners. This they failed to do, and the result was that they fell into sin and had to be punished.

Christians today live in the world, but they are supposed to live apart from the world. It is when the Christian partakes in world practices that he falls into sin. God being our Father must punish us for sins we commit because He loves us. Any earthly father will punish his own child for disobedience. He does it for the child's own good.

The children of Israel confessed their sins unto God. He forgave them and blessed them just as He will us today.

This all came about as a result of the reading of God's word.

III STEWARDSHIP RENEWED (Neh. 10:32-37)

One of the evidences of their failure to worship God was their failures in supporting their centers of worship. So it is today. Many organizations in our churches today are weakened because Christians are not willing to support those causes with time talents and tithes.

God has not required the tithe of us that He might be benefited, but that He might bless us. Any person who tithes will be blessed by God far beyond his imagination. Any person who will give his time, talents and tithes will help to make God's work move forward, and at the same time be richly blessed himself. God's plan cannot be improved upon.

CONCLUSION: (Neh. 10:39)

We are not to "forsake the house of the Lord." How about you? Are you faithful in your attendance and support of the church of your choice? If not, you are robbing yourself of untold blessings. Say what you will, there is still no substitute for serving God. Your peace of mind, your joy, your business; yes, your whole life will be enriched by "renewing your allegiance to God."

McKinley Avenue Baptist

J. D. McCarty, pastor
9:30 a. m. Sunday school, Rufus Davidson, superintendent.
10:40 Morning worship. Message by Harold White.

6:30 p. m. Training Union, Grover D. Fulkerson, director.
